

Taha Yasir

AI Product Builder · Senior VAS & Product Development Manager

Baghdad, Iraq · MENA-wide

Taha@qaysariya.com · linkedin.com/in/taha-algburi

7+ years shipping carrier billing, VAS, and AI products across MENA with Tier-1 operators (Ooredoo, Zain, Khalaspay). I manage partner ecosystems and technical integrations by day, and design, build, and launch AI products end-to-end through my studio, Qaysariya.

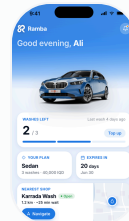

PRODUCTS I'VE BUILT

QuizQ

Gamified Trivia · DCB

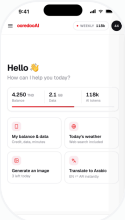

Arabic-first speed-quiz PWA with real prizes; game tokens paid via Direct Carrier Billing. Claude Partner Network POC, prepared for launch on Zain Iraq.

Ramba

Subscriptions · Payments

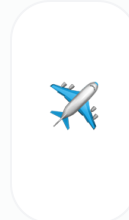

Car-wash subscription platform for Iraq — plans redeemable across partner shops, live queue tracking, Wayl payments with FIB / ZainCash settlement.

OoredooAI

Telco AI · VAS

AI-powered VAS & customer-acquisition engine — MVP delivered to Ooredoo Tunisia and Algeria. Bilingual chat, balance queries, plans billed to phone credit.

Voyalla

GenAI · Travel Content

AI-driven travel content app generating cinematic destination media with generative video, voice, and character-driven storytelling.

EXPERIENCE

2022 — Present

Senior VAS & Product Development Manager · AI-Bawaba Telecom

Partner onboarding, technical integrations, and SLM frameworks with Tier-1 operators across Iraq, Saudi Arabia, UAE, and Algeria. Led the Ooredoo Algeria Mega Promo launch and the Khalaspay carrier-billing integration.

2022 — Present

Founder · Qaysariya Studio

Independent product studio designing and shipping AI-directed, monetized digital products for MENA markets end-to-end — QuizQ, Ramba, OoredooAI, Voyalla.

2018 — 2022

IT Engineer · Metco (supporting Zain Iraq)

Telecom infrastructure and enterprise support for one of Iraq's largest operators.
